Subject: Re: [Request ID :##34377##] : New SQL view in database SysproCompany100
Attachments: 34377-Test Document for new SQL view.docx

I tested the connection to the new SQL view successfully in Dev and the Azure environments.

Approved for production.

For review, here's the original request:

All,

This has been created in Dev.

View : [SQLReporting].[Reports].[dbo].[vw_StockCode_ProductDimensions]

Let me know if this is what the crystal report needs and then we can process for Deployment.
